

The Pulse

Hear it

Take it

Create it

The student ministry of Perrysburg Alliance Church has altered its format and changed its name. We now have both middle and high school meeting on Sunday nights from 6:00pm-7:15pm at the church.

We chose the name, “The Pulse”, not just because it sounds cool, but because it communicates that it is something that you can hear, you can take, and something you can create.

At “The Pulse we want people to “Hear it” (the Gospel). Every time a student is involved in our ministry, we want them to hear the gospel and the word of God clearly, in a way that they can understand. We want them to “Take it”. We want our students to take the word of God into their life, their heart, and apply it to their lives. Then we want our students to “Create it”. We want our students to speak of, live out, and spread the love of God through their family and community.

The picture we see of a disciple in scripture is someone who hears the word of God, applies it to their life, and spreads it to others. This is where we get the concept of “The Pulse: Hear it, Take it, Create it.” So if you hear a loud pulsing noise from the youth room on Sunday nights, it is the beautiful sound of our students learning how to understand, apply, and live out the word of God.

Alliance Men’s Big Bang

- Lorne Hume

On Saturday, August 29th, the Perrysburg Alliance men joined men and women from several area churches for the annual Big Bang. 130-140 men and women brought their weapons to a farm in Bowling Green where shooting ranges were set up. There were pistols of all calibers, rifles-including military, shotguns, and black powder rifles. Explosives were detonated and thousands upon thousands of rounds were fired. Included were AK 47’s and Thompson machine guns. WHAT A BLAST! Brad Mettert brought his black powder rifles and pistols and a small cannon. With a huge bang, Brad hit a 3 gallon water jug with his black powder rifle from around 70 yards. What a great shot!

For dinner they had roasted an entire beef hind quarter on a spit with all the extras. After dinner we were given a sermon by Pastor Bill entitled “What is the truth” - a powerful message.

It was a great time shared by Christian men and women and we encourage everyone to join us next year.
